The Board of Directors of the Crawford Mesa Water Association met at the Maloney House in Hotchkiss. The meeting was called to order by President Bill Carpenter. The minutes of the March meeting were read and approved as read.

The financial report was given. The checking account has \$3,348.84, the Money Market account has \$12,186.17, second Money Market \$80,040.41 and the 1-year CD has \$47,924.37. The Hotchkiss CD has \$5,625.76.

Bills presented were DMEA \$102.62, Clifford Industries \$1,172.50, UNCC \$18.48, Master Petroleum \$128.81, Win Water \$677.62, TDS \$46.63, Peak Alarm \$66.00 and Verizon \$134.27. Dave moved and Lynn seconded to pay the bills. The motion passed.

Rise Broadband contacted Marici about putting a tower on the top of the airport tanks. They would pay us \$100.00 per month and \$15.00 per month for electricity. Right now we have a 20 amp circuit breaker that is needed for the circulating pumps. So they would need a separate circuit or maybe run off solar. Decided we needed more information from them. Marici will talk to them.

Discussed leaks found and repaired. Tanks are 6' low and we are getting 40 gpm. The surge is also down to 130 gpm. Marici will send out a call em all reminding the members that this could be a difficult year and to be conservative with their domestic water usage.

Dave will get with Mike Pitt to talk about the work we need done at the Hamilton Springs. Would like to have the springs tied in as soon as possible.

Meeting adjourned.

Board members present were Dave Young, Mark LeValley, Lynn French, Bill Carpenter and Joanie Cherp. Manager present Adam Clifford. Secretary/Bookkeeper present Marici Garber.
