

CMWA DOMESTIC WATER RATES

Minimum charge of \$45.00 per tap - 0 to 5,000 gallons.

Usage:

5,001 to 10,000 @ \$11.00 per thousand

10,001 to 15,000 @ \$13.00 per thousand

15,001 to 20,000 @ \$14.00 per thousand

Maximum monthly usage 20,000 gallons.

Usage over the Maximum is charged as follows:

20001 - 25000 @ \$30.00 per thousand

25001 - 30000 @ \$32.00 per thousand

30001 - 35000 @ \$34.00 per thousand

35001 - 40000 @ \$36.00 per thousand

40001 - 45000 @ \$38.00 per thousand

45001 - 50000 @ \$40.00 per thousand

Usage over 20,000 gallons is not allowed. The penalty for over use is a very high rate and possible disconnection. Disconnection will be highly likely in times of low water availability and/or rationing. Notwithstanding the above, CMWA reserves the right to disconnect users of over 20,000 gallons per month at any time.
